

UKALL14

A randomised trial for adults with newly diagnosed acute lymphoblastic leukaemia

Since the Easter Newsletter we have been hard at work activating new sites and randomising patients. We now have 64 activated sites and 301 patients. WELL DONE EVERYONE!!

On behalf of Dr Adele Fielding (CI) and the Trial Management Group, I would just like to say a huge thank you to everyone working on UKALL14. This incredibly important trial has been open for almost 3 years now and is recruiting slightly ahead schedule (which is fantastic)! Keep up the good work!

I hope you all have a very Merry Christmas and a Happy New Year!

Simon Purnell – UKALL14 Trial Coordinator
